Dear Sir, Madam

Having monitored aforementioned matter for considerable time, taking reference to your response dated 7 May and 14 May 2021; it is to say and to demand, vigorously:

1. Please make transparent the total amount of monies you having received from affected mortgage agreement signed and consented to in Feb 2002, both accounts consolidated, meaning one lump sum of total figure received.
2. Make abundantly clear, whether or not you did have the financial intelligentsia or any hint of suspicion/ awareness about the mysterious events of the 15A Blairgowrie Road investment to South Africa (Standard Bank SA, 2014 involvement) were with your consent mortgage reserve account monies have been spent (2008 – 2011).
3. Please sign and affirm the written confirmation of you prospectively provided response being unique and true and to your best knowledge as it had been under oath: **closing date** 21 days from the date of print, plus, the **14 June 2021: 17:00 UK time.**

I am looking forward to receiving your reasonable and sensible response on time, which might be made accessible to any interested third party, including the public.

Many thanks

Sincerely Yours

S. Wolfrum

Quite a lot of species are listed in danger and even if human being is not on top of this list, yet, he will finally be, unless he thinks twice what he is doing. That's why think about your way of consuming energy. It is **not unlimited!** Even renewable energies are limited but they are an alternative. If you use this alternative while saving energy you will take me off this list as well as yourself. Think about it in time!
