RE: Mortgage 92-634-32158-3 matters

Dear Sir Madam, Dear Member of regulated Mortgage lender-Staff (creditor)

Dear Craig/ Dear Linda/ Alisha and Chris Bond at Dentons

Taking further reference to your most recent intention to proceed for intended repossession again, the above mentioned Solicitors' acknowledgement of receipt regarding my very first response via email, I would like to draw your attention to the essential questionnaire below in preparation and sensible pre action protocol.

1. Had Barclays PLC T/As the Woolwich or their acting Solicitors any knowledge about the spending of the mortgage reserve-funding in question, in South Africa, a member of the Commonwealth?

Quite a lot of species are listed in danger and even if human being is not on top of this list, yet, he will finally be, unless he thinks twice what he is doing. That's why think about your way of consuming energy. It is **not unlimited!** Even renewable energies are limited but they are an alternative. If you use this alternative while saving energy you will take me off this list as well as yourself. Think about it in time!

2. Had the mortgage reserve account besides the mortgage account been brought forward for arbitration at a court of Justice in 2015?
3. Did Barclays PLC T/As the Woolwich or their Solicitors challenge the Court order made on 25 April 2016, in due course of any potential dissatisfaction, at relevant times?
4. Is there any loss or damage Barclays PLC T/As the Woolwich might have suffered from the mortgage covenant with S. Wolfrum ratified in 2002, entirely? If so please detail.
5. Has Barclays PLC T/As the Woolwich kept good faith protocol in terms of Fairness, Transparency, last but not least Sustainability and Good Government Performance as well as essential pre-action protocol, responsibly at all times? If the answer is "Yes" please justify in details by support.

Because we seem to experience severe difficulties to discover whether or not Standard Bank South Africa, Barclays' Counterpart at the Southern end of the Commonwealth committed Sovereignties collected/ is currently collecting monies from the foreign investment to South Africa, known as 15A Blairgowrie Road, 3629 Westville, Athol Heights, the location where the mortgage reserve funding had been spent at (in 2008 and following years) after this investment had been paid off in total in 2005, to Standard Bank's acknowledgment, it would be of great assisting nature if we could also get clarity about this essential Transparency Issue in terms of financial intelligence and powers Barclays PLC should enjoy, quite so?

In Anticipation to aforesaid, many thanks for your attention, again.

Sincerely Yours

S. Wolfrum
